

Rankings Worksheet

St. Louis Graduates Persistence Workgroup Session #2

Prepared for St. Louis Graduates

Recommendation	Evidence-Based	Reach	Support Needed	Implementation	Impact (Outcomes)	Overall Rank
	<i>Is there research to support action on this item?</i> Yes, No	<i>What is the potential for reach/scale?</i> Broad, Average, Narrow	<i>How much support is needed to make this happen?</i> High, Medium, Low	<i>What is our community's capacity to implement (do we have pilot examples or a structure that could readily adopt this)?</i> High, Medium, Low	<i>What is the potential impact on our big goal?</i> Strong, Moderate, Weak	<i>High, Medium, Low</i>
Goal #1: Provide students support to adjust to college life						
1 Create opportunities for dialogue between high schools and colleges: helps high schools (students and staff) better understand what is expected of them and help colleges understand challenges of incoming students						
2 Develop college summer camps to give more high school students college experience						
3 In-school research fair presentation (college at the high school)						

Developed by American Institutes for Research
