

Target Word

friendly

- Create bodies of vocabulary with synonyms and antonyms
- Increase academic language
- Promote independence by providing scaffolds for students to use during a vocabulary center or with teacher guidance

Great for
English
Learners!

Includes:

- Direction Card with student friendly directions
- Definition Card with student friendly definition of the Target Word
- Word Cards to cut and sort
- Blank Word Cards for any other synonyms or antonyms you'd like to include
- Synonym and Antonym Cards with sentence frames to help students decide how to sort each word
- Graphic Organizer with opportunities for students to use new vocabulary in context
- Answer Key to post on word walls and keep in writing binders

Adaptations

- Have students use the Word Cards to play a board game! Roll the dice or spin, pick a card, and practice using the word in a sentence (or categorizing it as a synonym or antonym) before moving their piece.
- Play Mystery Word! Have a student sit in a chair facing the class. Behind the student, post one of the words on the wall or board. Take turns giving clues about the mystery word by speaking or acting.

Target Word

- 1) Read the Target Word definition card.
- 2) Sort the Word Cards into 2 groups: Synonyms and Antonyms.
Try each word in a sentence frame to find out where the word belongs.
If you're not sure, talk with a partner to decide where that word belongs.
- 3) Write the words on the Target Word graphic organizer and show what you know about the Target Word.

friendly

(adjective)

- the behaviors between two or more people who are friends
- the quality of being a friend

Example:

That girl is extremely friendly. She includes others in her group and welcomes new people. Everyone wants to be friends with her because she's so kind.
