

# Using Augmented Reality & eBooks in Support of Language Acquisition

MATSOL 2014 presentation by Kennedy-Longfellow School, Cambridge, MA  
Friday May 9 from 11:00 – 11:45

**Caitlin Dooley**, Kindergarten SEI Teacher, [cdooley@cpsd.us](mailto:cdooley@cpsd.us)  
**Bonnie Steyer**, ESL Teacher, [bsteyer@cpsd.us](mailto:bsteyer@cpsd.us)

## Session Abstract:

Two elementary teachers from the Kennedy-Longfellow School will share multimodal, technology-rich strategies for engaging students in vocabulary development and language acquisition related to the theme of family and traditions. From augmented reality to authoring apps, you will be introduced to resources that help students strategically address language and content objectives.
