# Motivating Digital Natives Using 21<sup>st</sup> Century Tools and Methods

by Jared Campbell - [jared@fit.edu](mailto:jared@fit.edu)

## The New Rules of PowerPoint

1. Use high resolution pictures.
2. 6 words or less per slide.
3. Tell stories not just facts.
4. Your presentation isn't a handout.
5. Break these rules at least once per presentation.

## Be more Motivating

1. Make better PowerPoints.
2. Use more videos, but keep them short.
3. Give more formative assessments.
4. Collaborate equitably.
